Parent/Caregiver Pledge

We, as parents and caregivers in the community, agree to send a consistent message to our children that alcohol use under the age of 21 is unlawful and unacceptable.

We will foster an environment of open communication with our child and encourage open dialogue.

We will not permit our home to be used for unsupervised parties. If we will be out of town, we will notify a neighbor or other responsible adult of our absence.

We will not permit the serving of alcohol to underage youth on our property, nor will we tolerate the consumption of alcohol by underage youth in/around our home.

We will make every effort to prevent youth from driving if we know or suspect they have been drinking. And, we will make reasonable efforts to contact that child's parent or guardian.

We will take measures to be certain our children attend gatherings that are properly chaperoned and will not include the use of alcohol.

We will not be tempted to think, "Our child would never engage in risky behaviors." Believing this is risky in and of itself.

We will help our children attain their hopes and dreams.
